Talk of Alaska: Winter Survival

Fri, December 10, 2010
Posted in [Talk of Alaska](#)

In these days of cellphones and GPS, it's easy to forget that the Alaska outdoors can be a very unforgiving place. Especially in the winter.

The subject on the next Talk of Alaska is winter survival. Search and rescue and outdoor survival experts tell their tales on the next Talk of Alaska.

HOST: Steve Heimel, [APRN](#)
